

Arrive in time to leave

Good to see Rita Saffioti going to do something about the traffic congestion on the Tonkin Highway around Welshpool (*Opinion*, 28/5).

What about us poor buggers with the Kwinana Slow way from the Roe Highway to nearly Mundijong off-ramp. To get to the Perth Park racetrack in time for the first race, we'd need to leave home the previous day, if using the freeway.

May run out of fuel

On the the weekend news there was nothing about the V8 Supercars round in Tasmania.

If Roger Cook and Rita Saffioti think that today's Supercars are interesting to many, think again.

The \$217 million will only attract about 15-20,000 at the track, as news outlets think it's not newsworthy.

What a waste, and I'm a V8 tragic.
