

## Clarity at last

Many heads are being scratched, wondering why the Government wants to build a motor racing complex around Burswood. We have perfectly good purpose-built venues, north and south of the river.

The cat is out of the bag.

The Crown casino has now announced a massive infill entertainment development around its own precinct (*News*, 19/7). So when the the publicly unwanted race track is built from public funds, it will assist to draw more people to Crown's entertainment area.

I can see clearly now . . .
